The Sexuality Spectrum offers a groundbreaking exploration of sexual orientation through the creativity of over fifty international contemporary artists. Artists including Judy Chicago, Joan Snyder, Arthur Tress, Archie Rand, Albert Winn, Trix Rosen, Joan Roth, and Mark Podwal explore a broad range of subjects: the evolving social and religious attitudes toward sexuality; issues of alienation, marginalization, and inclusion; the impact on the family, child-rearing, and life stages; violence and persecution; AIDS/HIV; and the influence of the LGBTQI community on the Jewish and larger world.
